

ARPAÏS DU BOIS: Glimpsing into the private sanctuary of Arpaïs du bois by Joke de Wilde on blog The Word on June 7th 2017

Glimpsing into the private sanctuary of Arpaïs Du Bois

Ghent-born drawer, painter, and published author Arpaïs Du Bois' dreamy and ephemeral artwork questions the ever-blurred boundaries between fantasy and reality, the senses and the factual. Arpaïs approaches her vividly intimate work through an almost sensorial documentation, as is evident from the countless filled diaries scattered throughout her Antwerp studio. A revealing glimpse into the mind, inspirations and habitat of a pensive artist.
